Questions & Answers

- 1. Could you please clarify if the CCTV inspection will be the proponent's responsibility, or if the Township will provide this?**

The Township of Champlain has recently retained the services of a local firm to complete the CCTV inspection work. The Township will therefore provide CCTV reports and videos of the storm and sanitary sewers to the successful proponent, for the proponent's review and assessment of both systems.

- 2. On page 3 of tender, is the number of points awarded when a bid price is compared to lowest submission 20?**

There is a typo. The number of points awarded is **30** not 20.

Lowest Proposal Cost/Submitted Cost x **30 points Allocated**
