**CLASS ENVIRONMENTAL ASSESSMENT
VANKLEEK HILL WWTP UPGRADE
PUBLIC COMMENT INVITED**

The Vankleek Hill Wastewater Treatment Plant (WWTP) exceeds the effluent criteria specified under the Ministry of the Environment and Climate Change's Environmental Compliance Approval (previously called a Certificate of Approval). The Township has considered identified the preferred solution to correct the problems that were identified.

In accordance with the requirements for **Schedule B** projects of the **Municipal Class Environmental Assessment**, the Township is making study material and plans available for public review. On Tuesday June 21st, 2016, between the hours of 16:00 to 20:00, the public is invited to attend an information session at Council Chambers, 948 Pleasant Corner Rd. E, Vankleek Hill. The Township's consultant will be available to discuss issues and concerns with members of the public.

Interested persons should provide written comment to the municipality on the proposal within 30 calendar days from the date of this Notice. Comments should be directed to the CAO at Town Hall.

If concerns arise regarding this project, which cannot be resolved in discussion with the municipality, a person or party may request that the Minister of the Environment make an order for the project to comply with Part II of the Environmental Assessment Act (referred to as a Part II Order), which addresses individual environmental assessments. Requests must be received by the Minister at the address below within 30 calendar days of this Notice. A copy of the request must also be sent to the Township CAO. If there is no request received by July 8, 2016, the upgrades at the Vankleek Hill Wastewater Treatment Plant will proceed to design and construction as presented in the planning documentation.

Minister of the Environment
135 St. Clair Avenue
Toronto, Ontario M4V 1P5

This Notice issued 8th June, 2016.
