

Normand Excavation Donates to Sacha's Park

Construction companies and related services have been eager to do their share in making Sacha's Park a reality. In the case of Martin Normand, owner of Normand Excavation, this took the shape of a few hours of roller-compactor time on the premises of Sacha's Park, in Champlain Township's ward of L'Original. Mr. Normand, upon meeting Jason and Jacquelyn Chenier on June 29, explained that his business has a yearly commitment to contribute to charitable projects.
