

## **Asphalt JRL Paving supports Sacha's Park**

Sacha's Park is benefitting from the support of another area business. Asphalt JRL Paving will be donating some equipment time to pave a section of this universally accessible park which is being prepared in the L'Original ward of Champlain Township. Business owners Darryll Morin and Cindy Morin met with park organizers Jason and Jacquelyn Chenier on June 28, 2016 and told them that they are contributing because this is valuable to the community. This company was also a sponsor in last year's Zumbathon for Sacha's Park.
