LIFTING OF BOIL WATER ADVISORY FOR LAURENTIAN PARK

Following analysis of water samples, the Eastern Ontario Health Unit (EOHU) has lifted the **BOIL WATER ADVISORY** that was issued to all residents of the Laurentian park distribution system on Aug 24, 2016. Analysis of samples from the Drinking Water System confirmed that the water is safe for use and consumption.

The EOHU continues to work with the Ministry of the Environment and the Champlain Township to monitor the situation. Water in Laurentian Park will continue to be sampled as usual.

For more information, contact the EOHU at 1 800 267-7120 or Champlain Township at 613-678-3003.

Please share this information with residents of the affected sector.
