

Notice of Public Meeting **Highway 34 South Reconstruction**

Champlain Township and EVB Engineering will be holding a public meeting for the reconstruction of Highway 34 (High Street) from Main Street (County Road 10) to the south village limits of Vankleek Hill.

More specifically, this project will include the reconstruction of the storm sewer, watermain, curbs, sidewalks, repairs to the sanitary sewer and full reconstruction of the road.

The goal of this public meeting is to share the details of the construction, as well as to collect comments and answer any questions about this work.

The public meeting will be held on **April 4th, 2018 from 6:00 p.m. to 8:00 p.m. at the Vankleek Hill Community Centre** (upstairs), located at 36 Mill Street, Vankleek Hill.

If you are unable to attend the public meeting and/or would like additional information, please contact the Township or their Engineer at:

Champlain Township
